

Civics and Economics SOL 10

These assignments will allow you to learn the essential SOL information required by Virginia and still make some choices about your learning. If you complete an assignment you may move on. You do not have to wait on your class mates or worried about time limits. Follow the directions for each assignment. You must have your teacher review and initial each assignment before you can continue. Remember, you must complete all activities and pass a test before you may move to the next SOL.

1. I will demonstrate knowledge of the structure and operation of the United States economy by

- a) describing the types of business organizations and the role of entrepreneurship.
- b) explaining the circular flow that shows how consumers (households), businesses (producers), and markets interact.
- c) explaining how financial institutions encourage saving and investing.
- d) examining the relationship of Virginia and the United States to the global economy, with emphasis on the impact of technological innovations.
